

Technology Expo

US Department of State
Main State, Exhibit Hall
Wednesday, August 2, 2000
Washington, DC

The U.S. Department of State is the senior executive department of the federal government and advises the President in the formulation and execution of foreign policy. DOS is the lead institution for the conduct of American diplomacy, a mission based on the role of the Secretary of State as the President's principal foreign policy advisor. The primary objective in the conduct of foreign relations is to promote the long-range security and well-being of the United States.
